

# TABLE OF CONTENTS

	PAGE
<b>ACKNOWLEDGMENTS</b>	1
<b>EXECUTIVE SUMMARY</b>	2
<b>SECTION I: OVERVIEW /BACKGROUND/CONCEPT</b>	7
<b>History of the Project</b>	7
<b>Concept, Vision and Model</b>	10
<b>The Values of Green Space</b>	11
Environmental Benefits	11
Ecological Benefits	13
Health and Recreation Benefits	13
Mental Health Benefits	14
Social Capital	14
Crime	14
Economic Impact	15
<b>Community Process</b>	16
Community Involvement	16
Partnerships	16
Other Project Participants	17
<b>SECTION II: MOUNT WASHINGTON HISTORY AND ENVIRONMENT</b>	18
<b>Industrial History of Pittsburgh and the Role of Mount Washington</b>	18
<b>“Coal Hill” Becomes the Community of Mount Washington</b>	19
<b>Environmental History of Mount Washington</b>	21
Views of the Mountain	21
Forest Types	23
Fisheries	24
Soils	24
<b>Hillsides, Green Space and Parks</b>	26
Economic Benefits of Parks and Recreation	28

Parks and Greenway History	30
History of Hillside Restoration Attempts	32
<b>SECTION III: NATURAL RESOURCES ASSESSMENT</b>	<b>36</b>
<b>Purpose, Approach and Methods</b>	<b>36</b>
Purpose	36
Approach	36
Data Collection Methods	37
Trails	38
Features	38
Mapping	38
<b>Findings of Assessment</b>	<b>39</b>
Soils	39
Slopes	39
Land Cover	41
Detailed Cover Types	42
Invasive Species	46
Features	49
Forest Quality and Contiguity	53
Pedestrian Access and Connections	53
<b>Management Recommendations</b>	<b>55</b>
#1. Promote Ecologically Informed Vision and Management Goals	55
#2. Restore Forests	56
#3: Control Non-Native Invasive Species	62
#4: Manage Maintained Landscapes	65
#5: Define and Manage Views	68
#6: Stabilize Slopes	69
#7: Develop Pedestrian Linkages & Guidance	73
#8: Organize and Support a Community Stewardship Team	75
<b>SECTION IV: COMMUNITY VALUES AND CONCERNS ASSESSMENT</b>	<b>76</b>
<b>Citywide Issues of Concern</b>	<b>76</b>
Coordination with City Government	76
Ownership of Undeveloped Parcels	76
Hillsides Protection and Zoning	78

<b>Local Values and Issues</b>	79
Key Values	79
Facilities and Infrastructure	81
Maintenance	82
Development Issues	84
Property Protection and Acquisition	85
Management and Stewardship	89
Education and Programming	89
<b>SECTION V: PILOT PROJECTS</b>	91
<b>Introduction</b>	91
PILOT # 1: Improving Habitat: Restoring Forests & Creating Corridors	92
PILOT # 2: Improving Habitat: Revegetating Open Waste Areas	95
PILOT # 3: Controlling Invasive Species	98
PILOT # 4: Define View and Use of Natives for Landscaping	100
PILOT # 5: New Views/Destinations: Overlook in the Saddle	107
PILOT # 6: Establish New Trail Link	110
PILOT # 7: Eliminating Hazards	114
PILOT # 8: Improving Access to Open Spaces within the Duquesne Heights Greenway	116
<b>SECTION VI: ACTION PLAN</b>	118
Action Plan	118
Action Timeline	124
<b>REFERENCES</b>	129
<b>APPENDICES</b>	135
<b>TABLES</b>	169
<b>FIGURES</b>	170
<b>MAPS</b>	171
<b>ADDENDUM - COMMUNITY FEEDBACK</b>	172
